Introduction

We would like to thank you for providing Occasions the opportunity to present our solution proposal for your upcoming event in the next period.

We have produced this document with the aim of:

- Detailing our full solution specifications.
- Submitting our full solution cost and terms & conditions.

We see this document as a first step in being able to provide you with the highest levels of customer service, and we would welcome the opportunity to develop this proposal with you...

Occasions

Occasions is the Saudi leading specialist in creating mobile halls projects that require the construction of turnkey temporary facilities. Occasions halls have been shaping key events for over 20 years. The company is the largest temporary halls supplier in KSA. Our innovation and creativity are state-of-the-art and this combined with the know-how, experience and expertise of our team who will guarantee a breathtaking event environment.

In addition, specialist divisions have been created within Occasions in order to provide quality, professional, and efficient solutions for events management, exhibitions productions, and direct marketing.

Delivery And Installation

We have worked on many complex sites around the Arabian gulf and have installed event supplies at numerous sensitive locations. We are experienced in tailoring our installation techniques to cope with the demands of these sensitive sites including developing ways to reduce damage to the site surrounding grounds. Site visits are conducted, and additional time is spent to draw up detailed plans to ensure our event supplies complement all of the sites features.
